Prior to duplicating the ballot, the *Presiding Judge*, or an appointed count station clerks with members from different parties, will determine the manner in which the voter intent is deciphered. The duplicate ballot will then be created in the manner in which the *Presiding Judge* determines the voter intent was deciphered. (Section 65.009)

Write-ins will be sorted on Verity Count Reporting System after the V-Drives have been tabulated. The *Presiding and Alternate Judges* with any assistants if needed, will review any ballots with write-in selections.
